T-1344 TW cis

1 States District Court for the Western District of Washington, at Tacoma. The Plaintiff is
 2 authorized to remove the action described above pursuant to Law as articulated at 28 USC
 3 1441(a) and 1441(b), in compliance with the requirements of 28 USC. § 1446. The district
 4 courts of the United States have original jurisdiction in Law as articulated at 28 USC 1330 and
 5 1331, Plaintiff removes the action filed in the MUNICIPAL COURT OF WASHINGTON FOR
 6 CITY OF CLE ELUM, KITTITAS COUNTY cause no. CR 4817.
 7

8 **STATUS OF THE PLAINTIFF**

9 The Plaintiff(s) is established in good faith as a natural citizen /or Inhabitant of The State of
 10 Washington, a Republic established by the adoption and ratification of the Constitution of the
 11 State of Washington November 5, 1878 and "separate legal person" from United States,
 12 prosecuting claims under principles of international Law.
 13

14 **BACKGROUND**

15 **Original State Court Action:**

16 On, A civil/criminal action was commenced as cause number CR 4817, filed in the
 17 MUNICIPAL COURT OF WASHINGTON FOR CITY OF CLE ELUM, KITTITAS
 18 COUNTY, at the City of Cle Elum, and entitled CITY OF CLE ELUM, plaintiff v. GRAY,
 19 ANDREW STEVEN, Defendant. A copy of the CLE ELUM MUNICIPAL COURT DOCKET
 20 is attached. See Exhibit "F2".
 21

22 A copy of all process, pleadings, and orders served upon the Plaintiff and filed in the state
 23 court action will be attached when Linda D. Childs, Court Administrator/Clerk returns the
 24 documents. A federal court order may be necessary in order to retrieve all documents.
 25

SUBSTANTIVE BASIS FOR REMOVAL

Defendant bases this notice of removal on 28 U.S.C. sections 1331, 1332(4), 1603(a) and 28 U.S.C. sections 1441 (civil), 1443 (criminal) and under 18 U.S.C. section 1962. Diversity between the parties is/is not alleged.

Section 1441 of Title 28 provides that civil actions, brought in state court based on claims arising under federal law over which the district courts of the United States have original jurisdiction, may be removed by the defendant to the local district court. 28 U.S.C. sections 1441(a),(b). Section 1331 provides that the district courts have original jurisdiction over all civil actions "arising under the Constitution, laws or treaties of the United States." 28 U.S.C. section 1331. Removal jurisdiction based on a federal question is determined from the complaint as it exists at the time of the removal. Libhart v. Santa Monica Dairy Co., 592 F.2d 1062, 1065 (9th Cir. 1979). Removal is proper so long as the federal question is substantial and identifiable. James v. Belloti, 733 F.2d 989, 992 (1st Cir. 1984). A defendant in state court thus has the right to remove a case to federal court in the district where the state court proceedings are pending if the case could have been filed originally in federal court (i.e., on federal diversity or federal question grounds). 28 U.S.C. section 1441(b). Where removal is properly effected, the district court may exercise pendent jurisdiction over state law that "arise out of a common nucleus of operative fact." United Mine Workers v. Gibbs, 383 U.S. 715, 725, 86 S.Ct. 1130, 1138, 16 L.Ed.2d 218 (1966) (doctrine of pendent jurisdiction permits district court to adjudicate factually related state claims).

This is a civil/criminal action over which this Court has original jurisdiction pursuant to the provisions of 28 U.S.C. 1331. (Defendant's complaint explicitly states a private civil RICO

claim under 18 U.S.C. sections 1962(b) and (c). and is following this removal. If sued upon alone, a federal claim under RICO is removable as with a district court's original jurisdiction. **Emrich v. Touch Ross & Co., 846 F.2d 1190, 1196 (9th Cir. 1998).** Plaintiff's state law claims are factually related. As such, this entire case may be properly removed to this court. See Emrich, 846 F.2d at 1196; United Mine Workers, 383 U.S. at 725, 86 S.Ct. at 1138.

Procedural Requirements for Removal. The procedural requirements for removal have been met. See 28 U.S.C. section 1446. The defendant received service of this notice for removal is timely under 28 U.S.C. section 1446(b). Defendant received a copy of a Notice of Removal filed by Plaintiff in the state court action pursuant to 28 U.S.C. section 1446(d). To the best of the Plaintiff's Knowledge and belief, no other records or proceedings are filed with the state court. This notice is certified by the undersigned counsel of the Plaintiff pursuant to Fed. R.Civ. P.11 and 28 U.S.C. section 1446(a).

JURISDICTION

Jurisdiction founded on the existence of a Federal Question.

This case is a case arises under Article 4, section 4 of the national Constitution As that the Plaintiff is denied by the Defendant, access to the republican form of government of The State of Washington as hereinafter more fully appears.

Jurisdiction is founded on diversity of citizenship and amount.

Plaintiff(s) is established in good faith as a corporation and citizen of The State of Washington, a Republic established by the adoption and ratification of the Constitution of the State of Washington November 5, 1878 and "separate legal person" from United States, whose

1 principal domicile and place of business is within the geographical area of the Republic of
2 Washington.

3 The Defendant purports to be established by and act of the United States Congress who is
4 operating business activities within the geographical area of the Republic of the State of
5 Washington.
6

7 The matter in controversy exceeds, exclusive of interest and costs, the sum of fifty thousand
8 dollars.

9
10 GROUNDS FOR REMOVAL

11 The Plaintiff states that the Plaintiff's removal of cause no.: CR 4817, filed in the
12 MUNICIPAL COURT OF WASHINGTON FOR CITY OF CLE ELUM, KITTITAS
13 COUNTY on following grounds:

14
FEDERAL QUESTIONS:

15
GROUND A

16 Based upon the evidence of three or more entities, and two or more published
17 "constitutions" operating with names incorporating the terms "State" and "Washington", one of
18 which claims to have been created by an act of congress, IS THE "State Court" PLAINTIFF
19 ENTITY THE REPUBLIC ESTABLISHED AND ORDAINED BY THE PEOPLE FOR THE
20 GOVERNMENT OF WASHINGTON AS GUARANTEED BY ARTICLE IV § 4 OF THE
21 NATIONAL CONSTITUTION?
22

23
GROUND B

24 Based upon evidence of the plaintiff entity's published claim that the plaintiff entity in the
25 "State Court" action is an organization created by act of congress, and declared to be operating

1 under a different "constitution" than that established and ordained by the People for the
2 Washington republic November 5, 1878, DOES SUCH ENTITY AND ITS "COURTS" HAVE
3 STANDING TO BRING AN ACTION AGAINST ANY INHABITANT OF THE
4 WASHINGTON REPUBLIC OR ANY ORGANIZATION ESTABLISHED OR OPERATED
5 BY THE PEOPLE WITHIN THE WASHINGTON REPUBLIC ESTABLISHED AND
6
7 ORDAINED NOVEMBER 5, 1878?

8 **GROUND C**

9 Based upon the evidence that the courts of general jurisdiction for the Washington republic
10 as provided in the Washington constitution established and ordained by the People for the
11 Washington republic on November 5, 1878 as certified by the State Archivist and as published
12 in the Congressional Record, being "circuit courts", IS THE "MUNICIPAL COURT"
13 CAPTIONED IN THE "STATE COURT" PROCESS THE COURTS OF THE REPUBLIC
14 GUARANTEED TO THE INHABITANTS OF WASHINGTON AT ARTICLE IV § 4 OF
15 THE NATIONAL CONSTITUTION?
16

17 **GROUND D**

18 Based upon the evidence that the "MUNICIPAL COURT" purporting to be a "State Court"
19 denies a party access to the courts unless the party retains an officer of the prosecuting entity as
20 its "representative" or counsel, CAN SUCH A COURT PROVIDE THE DUE PROCESS OF
21 LAW PROTECTED BY EFFECTIVE ASSISTANCE OF COUNSEL AS GUARANTEED BY
22 ARTICLE XIV IN AMENDMENT TO THE NATIONAL CONSTITUTION AND
23 INCORPORATING EQUAL PROTECTION OF ARTICLE VI IN AMENDMENT
24
25 THERETO?

GROUND E

Based upon the evidence that the inhabitants of the Washington republic established and ordained November 5, 1878, having no operational republican form of government available at the state level, DOES THE FEDERAL COURT HAVE A DUTY TO PROVIDE A COURT OPERATING UNDER A REPUBLICAN FORMAT AS GUARANTEED AT ARTICLE IV § 4 OF THE NATIONAL CONSTITUTION?

DIVERSITY QUESTIONS

GROUND F

Based upon the evidence that the plaintiff entity claims to have been created by an act of congress, substantively declaring such entity to be a corporation created under the laws of, and within the venue of the District of Columbia, and Petitioners corporation being created under the laws of, and within the venue of the Washington republic established and ordained by the People November 5, 1878, ARE THE PARTIES TO THE ACTION OF DIVERSE CITIZENSHIP UPON WHICH THE JURISDICTION OF THE FEDERAL COURT MAY BE INVOKED?

GROUND G

Based upon the evidence that Darrel Richard Ellis, Eileen M. Murphy, Mark A. Chmielewski, Linda D. Childs, Diana MaeKenzie, Brennen Milloy, Scott Ferguson, Rob Leetz, Liz Luce, Peter D. Teets, Maile Abraham, Debbie Myers, Charles Glondo, David B. Bowen, Alan A. Crankovich, Perry D. Huston, and all others similarly situated, are involved in fraud/official misconduct in cause number CR 4817 from the MUNICIPAL COURT OF

WASHINGTON FOR CITY OF CLE ELUM, KITTITAS COUNTY. A verified complaint is following this removal outlining the fraud and official misconduct.

NOTICE: DUTY OF STATE COURT

The MUNICIPAL COURT OF WASHINGTON FOR CITY OF CLE ELUM, KITTITAS COUNTY, and the officers thereof, are subject to the duty(s) required in Law as defined at 28 USC 1446(d). The clerk of said court shall effect the removal of its case # CR 4817 to the United States District Court for the western district of Washington, at Tacoma, and shall proceed no further unless and until the case is remanded.

POINTS AND AUTHORITIES

“Removal to a federal court halts all further proceedings in state court, which thereon loses jurisdiction unless and until the case is remanded.” Styers v. Pico, inc., 223 SE 2nd. 656.

“Upon the filing, and service of a verified petition for removal by a defendant in a state criminal prosecution the state court loses jurisdiction over the prosecution and jurisdiction lies only with the federal court unless and until the case is remanded back to the state court. Chesimard v. Kuhlthau, 370 F. Supp. 473.

“Once removal procedure has been carried out, action in state court is automatically stayed and any proceedings there prior to federal remand order are absolutely void, despite subsequent determination that removal petition was ineffective.” Vendetti v. Schuster, 242 F. Supp. 746.

WHEREFORE, the state action filed under cause no. CR 4817 filed in the MUNICIPAL COURT OF WASHINGTON FOR CITY OF CLE ELUM, KITTITAS COUNTY is hereby removed to the United States District Court for the Western District of Washington, at Tacoma.
